TO : Director of Training

DATE: 10 September 1971

FROM : Chief, Career Training Program

SUBJECT: Weekly Activities Report

1. The CT Program continues to process applicants. At present we have 85 applicants in process with five ready to enter on duty as soon as we are given permission to do so. Two CTs for the January 1972 Class were entered on duty prior to the current freeze. We currently tell applicants that because of the current freeze we are unable to make any commitments, and we shall contact them when current personnel questions are resolved.

2. The Office of Personnel has returned 27 promotions for the January 1971 CT Class. The promotions would have been effective 5 September when the class completed nine months service in the Program and the established CT promotion date.
